

Environmental Advisory Council

September 21, 2022

Attendance: Darryl Speicher, Sally Duffy, Kathleen Sandt, Jennifer Mittereder, Patti O'Keefe

Approval of minutes for March 16, 2022

Discussed proposed Administration and Recreation Center

Discussed rotational mowing with a brush hog at Gravel Preserve Blueberry field to be done in the fall.

Recommend a letter of support be given to the Brodhead Watershed Association for the Middle Branch of the Brodhead Creek which is scientifically an Exceptional Value stream. The other branches Goose Pond Run and Levitt do not meet the qualifications.

Discussion on the possible excessive use of our parks this summer. Neighboring townships have experienced excessive trash and vandalism at their parks.

Discussed trash dumping along township roads and what to do to prevent it.

Meeting adjourned 7:45 p.m.
