

Environmental Advisory Council

September 2021

Attendance: Jennifer Mittereder Brown, Patti O'Keefe, Sally Duffy

Absent: Kathleen Sandt, Darryl Speicker

Meeting minutes for July 2021 were approved.

Discussion was held on the sewage problem at the Congregation Ohr Menachem facility off rt. 390.

Discussion was held on the township acquiring the former Barrett School and the use of alternative energy in the building renovations following the lead of Northampton Community College in becoming a LEED building.

Discussion was held on the erosion at 7 Pines park and the installation of the new basin at the border with the Game Land. It is suggested that no further development (as shown on future phases) occur until this erosion problem is seriously considered.

Meeting adjourned at 8:05

Patti O'Keefe
