

## Environmental Advisory Council

January 20, 2018

Attendance, Darryl Speicher, Jennifer Brown Mittereder, Patti OKeefe

Absent: Sally Duffy

Public: Frank May

We reviewed the Activities Permitted and Not Permitted, and Management suggestions that previous Supervisors had reviewed. The list is attached.

Drone maps are not currently completed, but Darryl will speak to the person who ran the drone to see what the status is.

Discussion was held on the Buck Hill Water Authority request.

Plans for the Open Space Parks were discussed, and a walk at Gravel Family Preserve will take place on March 23, at 7 p.m. The program will be advertised in the Village View.

Next Meeting is March 20, 2018.

As an addendum, the Supervisors appointed Kathleen Sandt to the EAC.
