From: High Acres Park Committe

The Committee meeting was held on April 10, 2017 at 6:30PM at High Acres Park.

Attendees were Priscilla Kice, Cheri Jones, Sonia White and Susan Seese; absent was Gloria Smith.

Minutes from the November 6, 2016 meeting were read and approved.

Items discussed:

1. Re-elected Priscilla Kice as chairman of the High Acres Park committee.
2. Discussed plans for events in 2017.
3. Will try to contact Michelle Wagner DeValle regarding Earth Day and Fall Festival plans and her role as a subcommittee of the High Acres Park committee.
4. Would like to obtain design plans for the pavilion #1 extension that was started as an Eagle Scout project in the fall of 2016.
5. The committee will contact the Rotary about considering making use of the Memorial Park for the Citizen of the Year markers. We discussed that there are limited spaces now for the plaques on the path and installing bricks or plaques at the Memorial is also an option. Sonia White volunteered to be the contact.

The meeting was adjourned at 8 PM.

The next meeting is scheduled for Monday, May 1, 2017 at 6:30 PM at High Acres Park.

Respectfully submitted,
