November 15, 2022

Attention Residents of Barrett Township and Surrounding Communities,

**It's Official!** The Barrett Township Board of Supervisors is pleased to announce we are now the owners of the Former Barrett Elementary Center. The acquisition of this building and property is the first step in the long term goal of developing a mixed-use community center, which could include recreation, arts and culture.

The future "Barrett Township Administrative and Recreation Complex" will house our administrative offices, a large multi-use room for meetings, activities, and programs for all ages as well as an 80' x 100' gymnasium/auditorium for sports, shows, cultural events etc. The complex will also offer multiple human services such as our food pantry and Community Shed. The plan also includes an Emergency Shelter and a commercial kitchen to support the shelter as well as the activities and events within the facility.

With over 60,000 sq. ft., this complex will provide rental space availability and plans for future growth include a fully equipped fitness center. If you would like to discuss renting space or have any ideas for the facility or the property, please contact the Board of Supervisors.

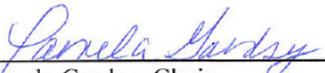

This complex not only offers a better quality of life to Township residents, but also the opportunity to increase tourism through various events and activities. Special thanks to the Weiler family for their generosity and all their efforts in making this happen.

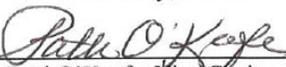

We hope you share our enthusiasm for this exciting project and we appreciate your patience as we move forward. Our goal is to be operational by Summer 2023 but since there are so many variables we can't provide an exact date at this time.

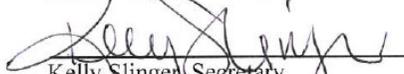

In the meantime, please enjoy the property – walking, jogging, bike riding etc. are all welcome! Please help us keep this property beautiful by cleaning up after yourselves and your pets.

Sincerely,

The Barrett Township Board of Supervisors

  
Pamela Gardsy, Chair

  
Patti O'Keefe, Vice Chair

  
Kelly Slinger, Secretary

  
John Seese, Supervisor

  
Darryl Speicher, Supervisor
