

**Barrett Township Supervisors
Minutes of Workshop Meeting of March 19, 2025**

A Workshop Meeting of the Barrett Township Supervisors was held on Wednesday, March 19, 2025, at the Municipal Building (B.A.R.C.) on Route 390 in Cresco, PA. The Supervisors met at 8:00 a.m.

Present: Pam Gardsy, Grover Cleveland, Patti O'Keefe, Kelly Slinger, Daryl Speicher, Jeryl Rinehart, Nichole Irvin and the public.

Discussion was held to discuss tentative amendments to Chapter 407 of the Barrett Township Codes; Signs Ordinance. Specifically, discussion was on enforcement verbiage as well as on the period of time in which signs are permitted to advertise a business that is seasonal or temporary. Abandoned signs were also discussed. Specifically, how long a property or business owner has to remove a sign that is no longer in use after 90 days. A public comment was made as a suggestion to refer to the property maintenance ordinance as a reference for enforcement.

Discussion was held on the proposed Holding Tank Ordinance, including the period of time a holding tank may stay in place (permanent vs. temporary). Additionally, it was discussed that whether a holding tank could be a permanent solution when a septic tank is not possible on certain properties. Permit applications include requirements for holding tanks and septic systems. A permanent decision on the ordinance was not made. Will be reviewed again at the next Supervisors Workshop.

It was announced that the Creative Theater Home School Program would be holding a performance on the stage in the B.A.R.C. theater on March 27, 2025 at 6:00pm.

Discussion was held about the "Fishing at Ice Lake" event taking place on April 5th, 2025. Hive to Harvest will be providing snacks for participants and will have a limited amount of fishing poles to distribute at the event.

Pam Gardsy provided a range of quotes that were acquired for the restoration of the walk-in freezer in the kitchen at B.A.R.C. A contractor has not yet been chosen.

Pam Gardsy and Kelly Slinger discussed the "America 250" plans provided by the County of Monroe inviting artists to submit designs for a bell/PA Keystone for the event. The event will commemorate 250 years of The United States.

Discussion was held on amendments to the Barrett Township fee schedules.

The workshop meeting was adjourned at 9:23 a.m.

Next supervisor workshop meeting will be held April 16, 2025 at 8:00am.

Respectfully submitted,

Nichole Irvin,
Barrett Township Zoning Officer
