

As we enter the spring and summer construction season, road work is ramping up across Monroe County. This time of year brings important improvements to our local infrastructure, with projects focused on enhancing safety, upgrading aging roads and bridges, and improving travel throughout our communities.

While construction can bring temporary delays, these investments are critical to maintaining a strong and reliable transportation network for our residents. In the weeks ahead, you can expect to see increased activity on key roadways across the county as these projects get underway.

Take a look at the following upcoming road work provided by PennDOT District 5:

- **PA 611 (Multiple Municipalities)** – Between 5-Point Intersection and I-380
Nighttime lane restrictions (8:00 PM – 6:00 AM) from April 12–13.
- **PA 940 (Multiple Municipalities)** – Between Carbon County Line and PA 611
Nighttime lane restrictions (8:00 PM – 6:00 AM) from April 13–15.
