

Together, We're Making Barrett a Better Place to Live, Work, and Play!

Barrett Township is more than just a place—it's a community. The Supervisors are launching a newsletter to keep you informed about all the ways we're building a better future together. From revitalizing neglected properties to enhancing the BARC as a vibrant community center, we're working to create a stronger, more connected township. Stay informed, share your thoughts, and be part of the progress.

Sign up for the newsletter today—go to:
